Custom Car Door Decals

Custom Car Door Decals are single-sided vinyl decals cut from 4 mil white PVC calendar film with a matte finish. UV printing and permanent adhesive make them the go-to choice for door panel branding that holds up 3 to 5 years outdoors. Each decal ships kiss-cut on a backing sheet, ready to apply.

Material

4 mil white PVC calendar film, matte finish.

Thin, flexible vinyl that conforms to flat door panels without cracking or lifting at edges.

Print Method

UV printed, ink cured instantly by ultraviolet light.

Produces a scratch-resistant, waterproof surface that holds up under direct sun.

Color Output

CMYK full color at 720 DPI minimum.

CMYK (cyan, magenta, yellow, black) reproduces any logo color or photographic image with crisp detail.

Finishing

Die-cut to custom shape. Kiss-cut on backing sheet.

The cutter traces your exact design outline so no rectangle border appears on the door panel.

Size Range

Custom sizes up to 58.5 in wide.

Orders wider than 58.5 in ship in multiple pieces with alignment guides for joining on the vehicle.

Indoor/Outdoor Rating

Outdoor rated 3 to 5 years. Water and scratch resistant.

Holds up through car washes, road debris, and direct sun across most US climates.

Single/Double-Sided

Single-sided.

Adhesive back bonds to the door surface. Printed face carries the full-color graphic.

Adhesive Type

Permanent adhesive.

Bonds to painted metal, glass, and plastic. Removable with a heat gun and slow peeling without damaging factory paint.
