

Product Specification Sheet

Custom Vinyl Jeep Decals

Custom Vinyl Jeep Decals run on 4 mil white PVC calendar film, UV printed at 720 DPI minimum, and die-cut to your exact shape. They fit Jeep-specific placements including hood, bumper, door, and fender. Outdoor rated 3 to 5 years under normal use.

Material

4 mil white PVC calendar film. Matte finish.

Thin, flexible vinyl that conforms to flat and slightly curved Jeep panels without cracking.

Print Method

UV printed.

Ink cures instantly under ultraviolet light, producing a scratch-resistant, waterproof surface that holds through road debris and rain.

Color Output

CMYK full color at 720 DPI minimum.

Four-color printing (cyan, magenta, yellow, black) reproduces logos and graphics accurately across the full visible color range.

Finishing

Die-cut to custom shape. Kiss-cut on backing sheet.

We cut around your exact design outline so no white border shows around your graphic.

Size Range

Custom sizes up to 58.5 in wide.

Orders over 58.5 in ship in multiple pieces with alignment guide markings for joining on the vehicle surface.

Indoor/Outdoor Rating

Outdoor rated 3 to 5 years.

Water resistant and scratch resistant through car washes, trail conditions, and direct sun for the full rated period.

Single/Double-Sided

Single-sided.

Adhesive back bonds to the vehicle surface. Printed face shows outward. Not rated for see-through viewing.

Adhesive Type

Permanent adhesive.

Bonds to painted metal, plastic, and glass. Removable with a heat gun and slow peeling on factory paint finishes without paint damage.
